ATKINSON Frederick Alan (Fred)

7 May 1948 – 8 February 2018

Fred passed peacefully on Thursday morning with Vivienne holding his hand.

Beloved father to Sasha and Renée and father-in-law to Vince, Fred was adored by his grandchildren, Massimo and Sylvie, and touched so many lives with his grace and humour. Though heartbroken that he's gone, we rejoice in having known him at all.

"Joy passed, but happiness never completely disappeared; a touch of it would always remain to remind one it had been there. It was happiness that made one smile, then."

- Anne Holm

In accordance with Fred's wishes, a Private Cremation was held on 14 February 2018 with a wake to follow in coming weeks.
