Gentlemen,

14th Annual Geddes Dinner – 28 March 2019

In recognition of the aches and pains that the colder months may now inflict on our members, the 14th Annual Geddes Dining In Night will be held in the more pleasant month of March. The Dinner will again be held at the Toorak Services Club on Thursday 28 March 2019.

Our speaker is our very own Alistair Pope (4/66). Alistair was posted to the RAASC and served in Vietnam in 1969/70. In his professional life, Alistair has been engaged as a Project Manager in many fields including Telecommunications (the build of Optus) and as a project recovery expert in the Oil and Gas Industry in over 65 countries.

Most importantly, Alistair is one of the founding fathers of the Officer Training Unit Association and that initiative has led to the strong Association we now have. Alistair has been an ongoing substantial supporter of the Association both nationally and in Victoria and it was through his efforts, some years back, that a very substantial amount was donated to the Victorian Chapter for the funding of Youth Leadership projects.

The cost of the Dinner is again \$55 a head for the meal, the ambience and the experience of renowned Scheyville camaraderie. Drinks will, of course, be readily available throughout the evening at bar prices.

If you can offer a raffle prize, please let me know.
